EXCELLENCE IN MEDICINE, EXCELLENCE IN LUXURY.

HEALTH IS NOT EVERYTHING, BUT WITHOUT HEALTH, EVERYTHING IS NOTHING.

Health Check-up & Rehabilitation Programs at Max Grundig Clinic

Long-standing experience, absolute precision, utmost discretion and unparalleled comfort is what the Max Grundig Clinic is famous for around the world. We take our inspiration giving our best for the patient from the wise words of Arthur Schopenhauer: "Health is not everything, but without health, everything is nothing."

Our outstanding expert team offers cutting-edge knowledge in all significant health fields such as internal medicine, orthopedics, gastroenterology, oncology and radiology, to only name a few

OUR CHECK-UP PROGRAMS – WE DON'T DO AVERAGE

Health Check-up

You only have one body — and we want to help you keep it healthy. At our ultra-modern equipped Check-up Centre, we offer excellence from one to three days. Choose from our range of check-up programs from comprehensive Silver (1 day) to Gold (2 days) to Platinum (3 days) exams and tests tailored to your specific needs.

Of course, our radiology center uses only the latest state-of-the-art imaging devices to provide precise diagnosis in a very short time, for example Siemens MRI Scanner (3.0 Tesla) and Siemens CT Scanner (128 slice)

GETTING STRONGER DAY BY DAY - RECOVER AND RELAX IN AN OUTSTANDING LOCATION

Rehabilitation Program

Whether you want to recover from surgery or a past disease or just need time off to focus on your health — our tailored rehabilitation programs are the right choice. You have daily one-on-one appointments with your personal physician, undergo diagnostics and have your own tailored physical therapy program with personal trainers.

Our rehabilitation programs are available from sevenday-stays at Max Grundig Clinic and can be extended based upon your needs •

EVERYTHING UNDER ONE ROOF

About Max Grundig Clinic

Our concept combines modern internal medical care in prevention, primary care and rehabilitation with an understanding of how the body and spirit interact. The unique location in the Black Forest and the ambiance of a top-class hotel create the ideal atmosphere for convalescence, relaxation and reorientation. Board certified experts in internal medicine and additional subspecialties work together under one roof and hand in hand. The treatment concept at Max Grundig Clinic focuses on the human being as a whole — caring for a person's physical, psychological and social facets. In addition to the thorough evaluation and treatment of acute symptoms, our medical approach also includes gaining a detailed picture of your overall condition with the goal of long-term health •

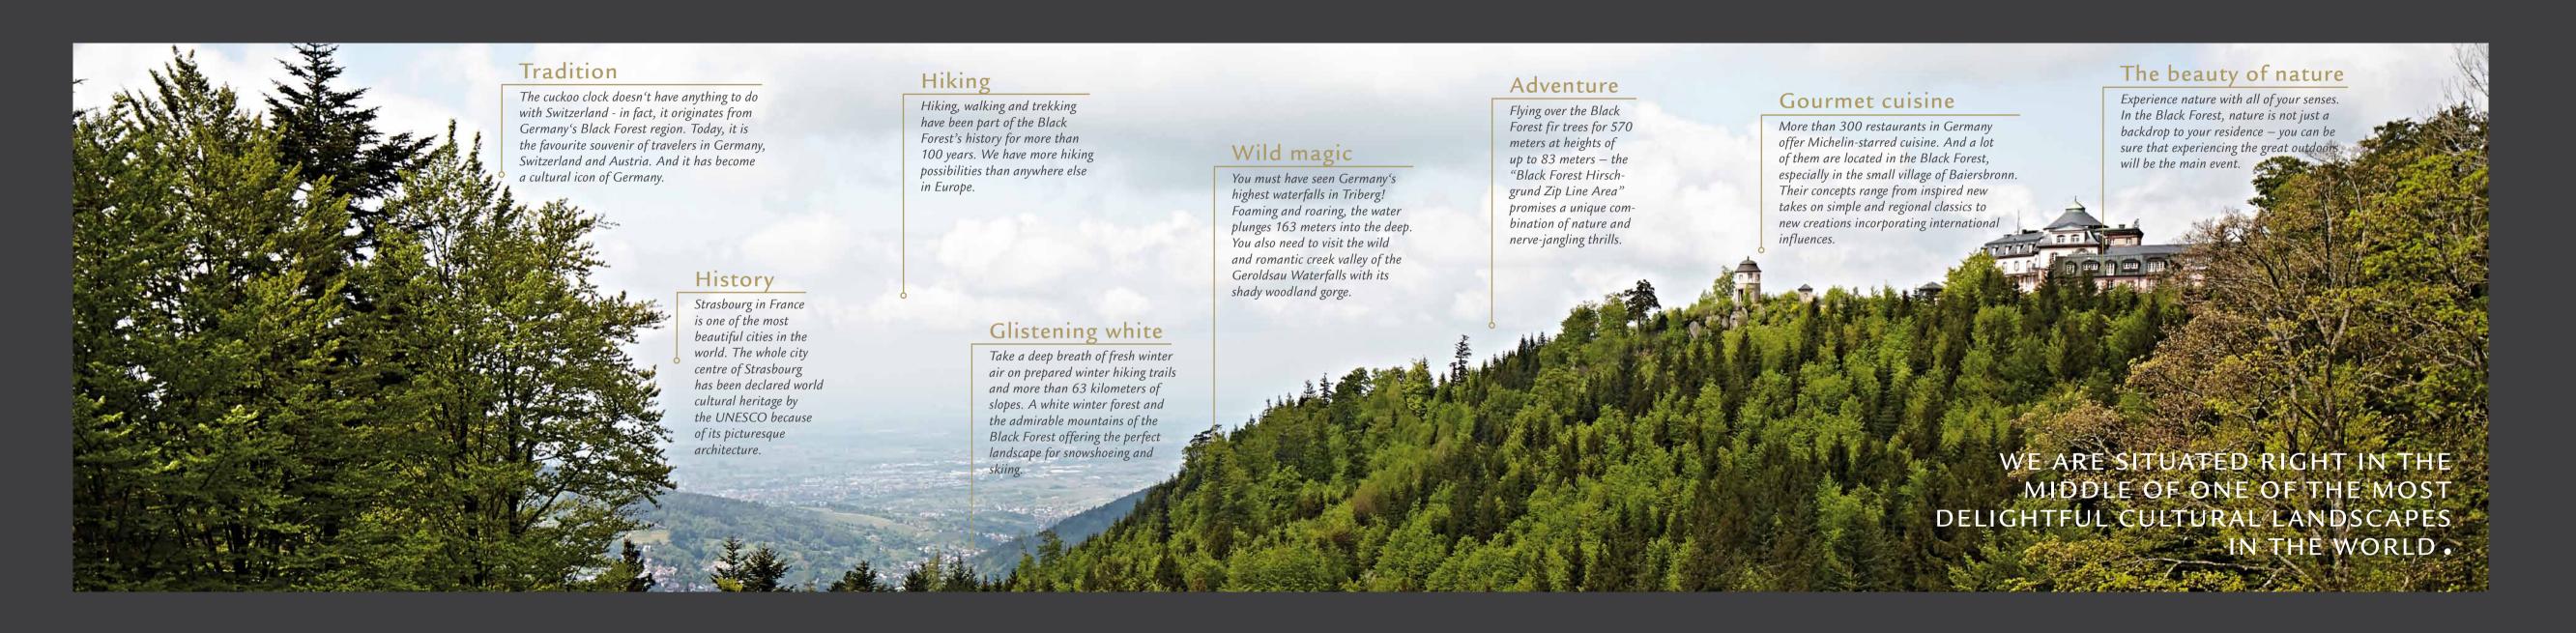

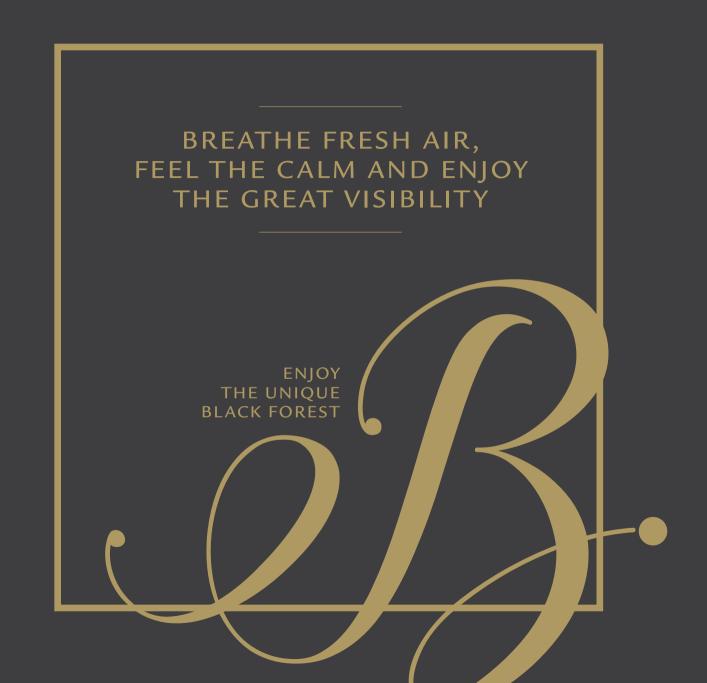

AT FIRST GLANCE, A LUXURY HOTEL
